622 TIMBER LANE
EDMOND, OK

PROPERTY DETAILS

Extensively rebuilt and expanded in 2019, this Clegern mid-century home blends distinctive architecture with modern systems, refined finishes and exceptional outdoor living. Highlights include solid white oak flooring, Crestwood cabinetry, Bianco Mustang quartzite, GE Café appliances, a tankless hot water system, dedicated office and flexible patio-access room. Outside, a custom steel pavilion, built-in natural-gas grill, gas firepit and lighted water feature create a standout entertaining space.
